PUBLIC INPUT

Please check www.townofday.com for final agenda and updates. Each Regular Meeting of the Town Board will have fifteen (15) minutes set aside for public input, to allow members of the public to address the Board on matters relating to the Town of Day. This timeframe may be extended at the discretion of the Board. Each speaker shall state their name prior to addressing the Board and shall be granted the floor for a single time frame of up to five (5) minutes. All remarks shall be directed to the Town Board as a body and not at a specific individual, staff or member of the public. The Board asks that members of the public respect the opportunity of the speaker at the podium to be heard, and asks that the public refrain from conducting side meetings within the meeting room. The Board thanks everyone in attendance for their understanding and also for their desire to actively participate in the Town decision making process.
