

PUBLIC NOTICE

Brookfield Renewable Power and the Towns of Day and Hadley seek the public's help to keep clean and free of vandalism the day-use recreation area at the Stewarts Bridge Reservoir in Hadley.

Brookfield Renewable Power, the owner and operator of the Stewarts Bridge hydroelectric generating facility, is committed to using natural resources in a responsible manner.

We remind the public that these wonderful water resources produce clean electricity, and also provide protected habitats for wildlife and a wealth of outdoor opportunities for all to enjoy.

Please help us maintain a clean and vandalism-free area so that we can keep it open. We ask that you use this carry in/carry out site safely and responsibly.

For additional information, call 1-877-816-7466 or visit www.brookfieldpower.com, the Town of Day at (518) 696-3789, www.townofday.com or the Town of Hadley at (518) 696-4797, www.townofhadley.org.
