Supervisor Harry Brennan explained that Dave Meager and Dustin Hall are here to meet with the board to go over the Amsure policy and verify if any changes are needed.

Highway Superintendent Leonard Allen went through the list of the town vehicles and mentioned that the 1994 Ford utility truck, the 2008 International dump recycle truck, the 1996 Hi Lander sander and the 1993 Ford F-600 utility/ladder truck all need to be removed from the policy. Dave Meager explained that the Town Clerk can send an email over to Amsure stating the vehicles to remove and they will do so.
