NOTE: PUBLIC COMMENT RULES – *Each Regular Meeting of the Town Board will provide for a total of fifteen (15) minutes designated for public input to allow members of the public to address the Town Board on matters relating to the Town of Day. This timeframe may be extended at the discretion of the Town Board. Each speaker shall approach the podium/microphone and state their name prior to addressing the Town Board and shall be granted the floor for a single time frame of up to three (3) minutes. All comments shall be directed to the Town Board as a body and not to a specific individual, staff or member of the public. The Town Board requests that members of the public respect the opportunity of the speaker at the podium to be heard and that the public refrain from conducting side meetings within the meeting room. The Town Board thanks everyone in attendance for their understanding and compliance with these Public Comment Rules, and for their desire to actively participate in the Town Board decision making process. Please check www.townofday.com for final agenda and updates.*
